Comments From The Selectors

Ms Hazel Manning ARPS DPAGB AFIAP BPE3* :-

An interesting and challenging day . There was a great variety of work from which to make our selection and my congratulations go to the worthy winners in all categories . Thanks should go to everyone who entered and also to those who worked so hard in making the event such a success .

Mr David Gibbins ARPS APAGB EFIAP/b BPE4 :-

It is an honour and a pleasure to be invited as a selector at an exhibition . I thoroughly enjoyed my day and everything ran smoothly .

It is always a challenge to select a balanced exhibition from the entries and I can understand the frustration of those entrants who did not gain any acceptances , especially when missing out by one mark . I felt that the prints were generally stronger , some of the PDI entries had been over processed . Nevertheless the accepted images and award winners will make an excellent exhibition . Congratulations to all successful entrants .

Many thanks for the hospitality shown by the Exhibition team on the day and I wish you every success for this and future exhibitions .

Mr Michael Krier ARPS AFIAP MA (Photography) :-

It was a real pleasure to be invited to select from so many high quality images for the Yardley PS Exhibition . Many were of a very high standard , especially the mono section .

Care taken with presentation in PDI and Print sections , especially the choice of paper and mount , will always result in higher marks . Less experienced entrants would be well advised to seek advice/opinion from more experienced friends or club members as to the merits of images to be submitted .

All in all , the day was a very pleasurable experience . My thanks to Yardley PS members for running the day so efficiently . Congratulations to all whose work was accepted and especially to the award winners .

Comments From The Selectors

Mr Peter Preece DIPAD :-

Many thanks for the kind reception your Society gave to myself and my wife Margaret when I came along to help judge the images for the Exhibition . Thank you also for the lunch and drinks available during the day .

There were some really super images and it came down to personal choice to select the overall images in each section .

Again , many thanks for your kind reception .

Ms Sue Moore FRPS MPAGB :-

It was a pleasure to be invited as a Nature and Print Panel selector at the 2016 Yardley Open BPE Exhibition . The quality of the entries was of a high standard , especially the award winners .

However , perhaps more thought from some entrants concerning the quality of their entries would ensure a higher acceptance rate .

The Nature section , both PDI and print contained a varied selection of images with a number of outstanding entries .

The Print Panels were of varied subject matter and will be a great asset to the Exhibition . This aspect of photography is often sadly overlooked by many exhibitions and Yardley PS should be congratulated in continuing with this exciting section .

The selection day was very well organised and carried out in a friendly and relaxed atmosphere with the judges being well looked after . I wish continued success to the Yardley PS Exhibition .
